

Spider Map

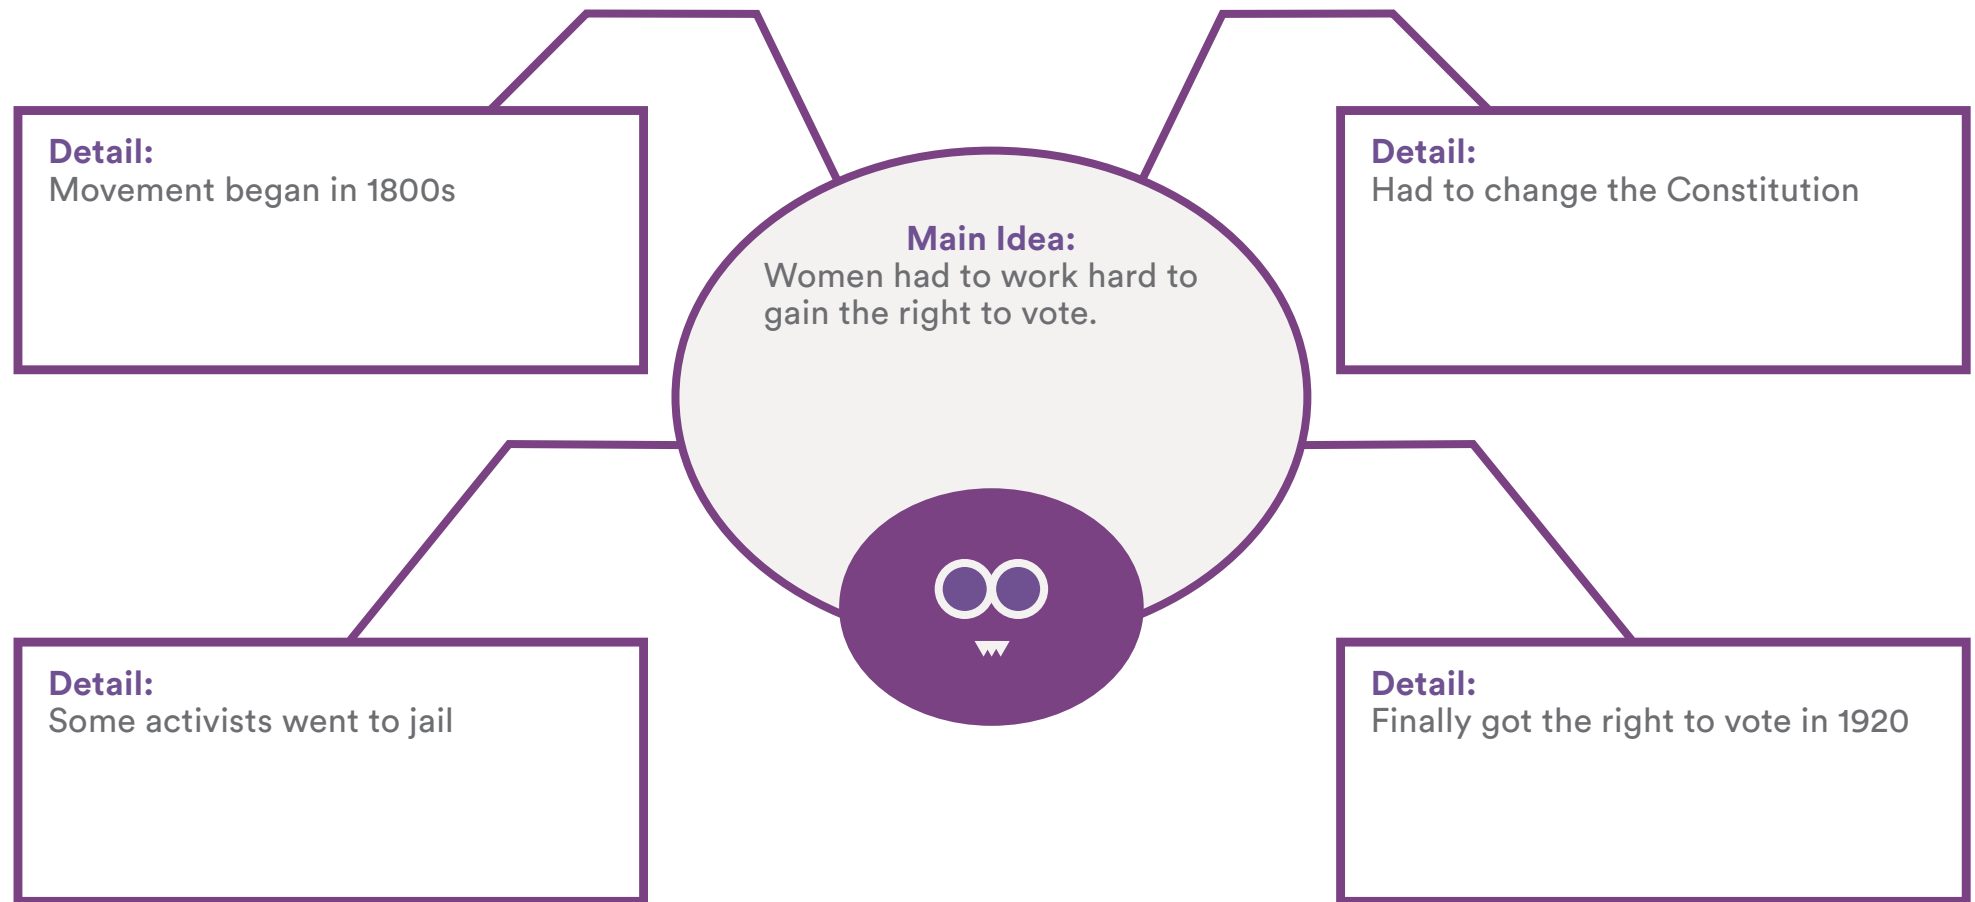

Name: _____ Date: _____

Class: _____ Teacher: _____

Use this map to organize your thoughts. The goal is to have your main idea sit like a spider in the center of a web of ideas.

1. Write your topic or main idea in the center.

2. In each box, write a detail that supports the main idea.

Spider Map

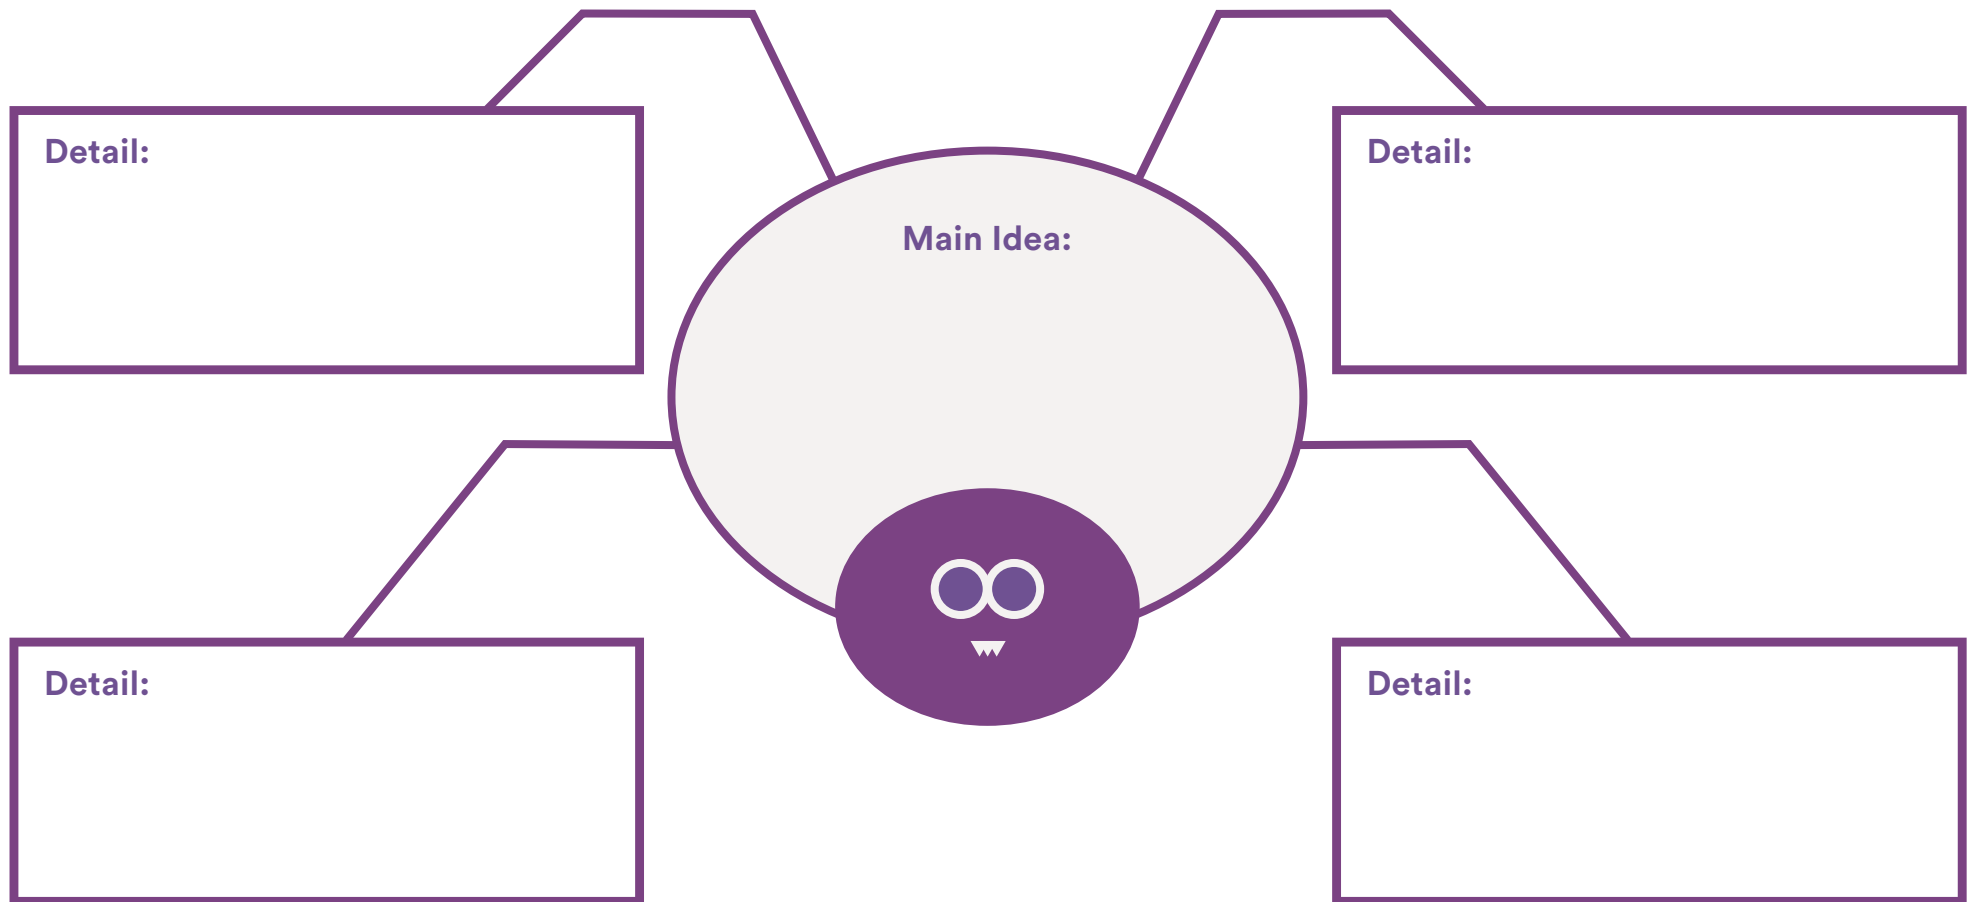

Name: _____ Date: _____

Class: _____ Teacher: _____

Use this map to organize your thoughts. The goal is to have your main idea sit like a spider in the center of a web of ideas.

1. Write your topic or main idea in the center.

2. In each box, write a detail that supports the main idea.

The diagram is a 'Spider Map' used for organizing thoughts. It features a central light purple circle with a darker purple spider face at the bottom. The spider has two large white eyes and a small white smile. Four lines radiate from the central circle to four rectangular boxes, one in each quadrant. Each box is labeled 'Detail:' in the top left corner. The central circle is labeled 'Main Idea:' at the top.
